

All Shook Up

Robert Palmer

Well my hands are shakin and my knees are weak
I can't seem to stand up on my own two feet
Who do you thank when you have such luck?
I'm in love - I'm all shook up!

Well please don't ask me what's on my mind
I'm a little mixed up, but I'm feelin' fine
When I meet the girl that I like the best
My heart beats so it scares me to death

When she touched my hand what a chill I got
Her lips are like a volcano that's hot
I'm proud to say she's my buttercup
I'm in love - I'm all shook up!

My tongue gets tied when I try to speak
My insides are shaking like a leaf on a tree
There's only one cure for this body of mine
That's to have that girl and that love so fine

When she touched my hand what a chill I got
Her lips are like a volcano that's hot
I'm proud to say she's my buttercup
I'm in love - I'm all shook up!

I'm all shook up
