

Charanga

Robert Palmer

Gamble everything on the feeling
You'll win every time
You'll find that Charanga leaves you
Reeling like a case of wine

(We'll dance Charanga all day time and night time)
(We'll dance Charanga the rest of our lives)
(Ay Charanga dance the night away)
(Ay Charanga come on yeah)
(Charanga ...)

Throw your caution into the wind and let it fly
Come on let your worries all disappear
Take a chance and let the wheel spin
Let your bet ride
Don't you wish the night would
Go on for years?

(Come dance the Charanga, yeah now)
(A little bit closer)
(Let's groove on this all-night party)
(As much as the law allows)
(Charanga ...)

Do something that'll make her
Feel real good
Say something that'll make her smile
Say something that'll make you understood
Do something with a little style

(Girl you're such a sexy thing)
(Ooh you make my spirit sing)
(And your close proximity)
(Oh it has affected me)
(I can feel this rhythm swing)
(With no encouraging)
(And your sensuality)
(Mm - it overpowers me)
(Charanga ...)
