

# Charanga

Robert Palmer

Gamble everything on the feeling  
You'll win every time  
You'll find that Charanga leaves you  
Reeling like a case of wine

(We'll dance Charanga all day time and night time)  
(We'll dance Charanga the rest of our lives)  
(Ay Charanga dance the night away)  
(Ay Charanga come on yeah)  
(Charanga ...)

Throw your caution into the wind and let it fly  
Come on let your worries all disappear  
Take a chance and let the wheel spin  
Let your bet ride  
Don't you wish the night would  
Go on for years?

(Come dance the Charanga, yeah now)  
(A little bit closer)  
(Let's groove on this all-night party)  
(As much as the law allows)  
(Charanga ...)

Do something that'll make her  
Feel real good  
Say something that'll make her smile  
Say something that'll make you understood  
Do something with a little style

(Girl you're such a sexy thing)  
(Ooh you make my spirit sing)  
(And your close proximity)  
(Oh it has affected me)  
(I can feel this rhythm swing)  
(With no encouraging)  
(And your sensuality)  
(Mm - it overpowers me)  
(Charanga ...)
