

Do Nothin' Till You Hear from Me

Robert Palmer

Someone told someone, someone told you
But they wouldn't hurt you - not much
Since everyone tells the story
With his own little personal touch

Do nothing till you hear from me
Pay no attention to what's said
Why people tear the seam of anyone's dreams
Is over my head

Do nothing till you hear from me
At least consider our romance
If you should take the word of
Others you've heard
I haven't a chance

True, I've been seen with someone new
But does that mean that I've been untrue?
Though we're apart, these words in my heart
Reveal how I feel about you

Some kiss may cloud my memory
And other arms may hold a thrill
But just do nothing till you hear it from me
And you never will!

True, I've been seen with someone new
But does that mean that I've been untrue?
Though we're apart, these words in my heart
Reveal how I feel about you

Some kiss may cloud my memory
And other arms may hold a thrill
But just do nothing till you hear it from me
And you never will!
