Johnny & Mary

Robert Palmer

Johnny's always running around
Trying to find certainty
He needs all the world to confirm
That he ain't lonely
Mary counts the walls
Knows he tires easily

Johnny thinks the world would be right

If it could buy truth from him

Mary says he changes his mind more than a woman

But she made her bed

Even when the chance was slim

Johnny says he's willing to learn When he decides he's a fool Johnny says he'll live anywhere When he earns to time Mary combs her hair Says she should be used to it Mary always hedges her bets She never knows what to think She says that he still acts Like he is being discovered Scared that he'll be caught Without a second thought Running around

Johnny feels he's wasting his breath Trying to talk sense to her Mary says he's lacking a real Sense of proportion So she combs her hair Knows he tires easily

Johnny's always running around
Trying to find certainty
He needs all the world to confirm
That he ain't lonely
Mary counts the walls
Says she should be used to it

Johnny's always running around Running around
