## Love Me or Leave Me

## **Robert Palmer**

This suspense is killin' me I can't stand uncertainty Tell me now, I've got to know Whether you want me to stay or go

Love me or leave me or let me be lonely You won't believe me, I love you only I'd rather be lonely Then happy with somebody else

You might find the night time The right time for kissin' But night time is my time For just reminiscin' Regrettin' instead of forgettin' with somebody else

There'll be no one unless that someone is you I intend to be independently blue I want your love but I don't want to borrow To have it today to give back tomorrow For your love is my love There's no love for nobody else
