

# She Makes My Day

Robert Palmer

I feel so lucky loving her  
Tell me what else is magic for  
She thinks it's better left unsaid

She makes her mind up at a glance  
It really made a difference  
I seem to be unconditionally hers

She's like a new girl every day  
And all the rest don't bother me  
I'm far too busy lovin' her

I'll never be lonely now I know her  
She...  
Now I know her  
She fills my heart with joy  
(That's in our best interest. she makes my day)  
She just has to smile to blow my cares away  
She...  
She just has to touch my hand to make me stay

She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once

Our love was unintentional  
She says we're not responsible  
She thinks with her chin up

She always makes uncommon sense  
Always knows just what to say  
She always takes me unawares

In less time than it takes to fall down here  
And there you are  
We never fought it anyway

I'll never be lonely now I know her  
She...  
She fills my heart with joy  
(that's in our best interest. she makes my day)  
She just has to smile to blow my cares away

She just has to touch my hand to make me stay

I feel so lucky loving her  
Tell me what else is magic for  
She thinks it's better left unsaid

She makes her mind up at a glance  
It really made a difference  
I seem to be unconditionally hers

She's like a new girl every day  
And all the rest don't bother me  
I'm far too busy lovin' her

I'll never be lonely now I know her  
She...  
She fills my heart with joy  
(that's in our best interest. she makes my day)  
She just has to smile to blow my cares away

She just has to touch my hand to make me stay

She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once

She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once  
She's all good lovin' at once
