

# Some People Can Do What They Like

Robert Palmer

I'm restless when I see the likes of you  
I'll take it any way you want me to  
If you're hungry I know you're gonna move your ground  
I get breathless when I see the likes of you around

Some people, some people can do what they like  
I said that some people, some people can do what they like  
Know that some people, yeah some people can do what they like

When I'm with you  
Don't want to be with no-one else  
Let's get up on it  
Till we just can't stand ourselves  
There's times when love is just like poetry  
Hey don't you think that's how it ought to be

Some people, some people can do what they like  
Some people, some people can do what they like yeah yeah  
Some people, some people can do what they like

Hey lover will you be polite with me  
Be covered if you spend some time with me  
I'm restless when I see the likes of you  
I'll take you anyway you want me to

Some people, some people can do what they like  
Some people, some people can do what they like  
Some people, some people can do what they like  
Some people, some people can do what they like  
Some people, can do what they like  
Some people, can do what they like
