

What a Little Moonlight Can Do

Robert Palmer

Ooo-ooo-ooo...

What a little moonlight can do...

Ooo-ooo-ooo

What a little moonlight can do to you

You're in love

Your heart's a-flutterin' all day long

You only stutter 'cause your poor tongue

Just will not utter the words I...love...you

Ooo-ooo-ooo

What a little moonlight can do

Wait a while

'Til a little moonbeam comes peepin' through

You'll get bored

You can't resist her, but all you'll say

When you have kissed her

Is "ooo-ooo-ooo-what a little moonlight can do"
