

# You Are in My System

Robert Palmer

Day by day and night by night  
I feel you in my mind  
It happens all the time  
You know the day dreams stop  
My heart beats on  
I can't take it any more  
It's you I live for

You are in my system  
You are in my system  
I just want you to know that,  
You are in my system

You ooohhhh you're in my system, system  
Don't you, Don't you, don't you know that, babe.

I will keep on pushing, pushing, pushing  
Until I get through  
My main objective baby is to get to you  
To turn your mind around  
I know will take time  
But you know I can wait, now  
You're on my mind

You are in my system  
I just want you to know that,  
You are in my system  
Got me burning, I'm on fire  
You, you're in my system  
You're everything I need  
You, ooohhhh, you're in my system, system  
Don't you, Don't you, don't you know that, babe.

It's a romantic vision of me and you  
It happens all the time  
My dreams are filled with you  
There's no doubt in my mind  
That I'll be true baby  
You know I'll take you out  
And I'll keep lovin' you

Oh baby you are in my system,  
I just want you to know that  
You are in my system  
Cut me right down to the wire  
You, ooohh, you're in my system  
Got me burning I'm on fire  
You, you're in my system  
Can't make believe  
You, you're in my system  
You're everything I need  
You, Ooohh, you're in my system  
I just want you to know that  
You, you're my system  
Got me burning I'm on fire  
You, you're in my system
