

# You Can't Get Enough of a Good Thing

Robert Palmer

Rumour has it you're an angel  
Let's see if the gossip's true  
Force of will or force of nature  
It's only a point of view  
I've seen you dancing on the floor  
They don't make them like you no more  
Bye, bye for now, I'll check you later  
See you in a week or two

You can't get enough of a good thing  
I can't get enough of you  
I won't settle for less than you, girl  
Because only the best will do, girl

O.K., so you ain't no saint, but I think you're heavenly  
And I appreciate the rumours came from choreography  
Last night when you came through the door  
I swear I saw the wings you wore  
And even though your halo slipped  
I thank my lucky stars for you

You can't get enough of a good thing  
I can't get enough of you  
I won't settle for less than you, girl  
Because only the best will do, girl
