Never Think

Robert Pattinson

I should never think
What's in your heart
What's in our home
But it's all i want

You'll learn to hate me
But still call me baby
Oh, love
So call me by my name

And save your soul
Save your soul
Before you're too far gone
Before nothing can be done

I've tried deciding when
She'll lie in the end
I ain't got no fight in me
In this whole damn world
Tell you to hold off
You choose to hold on
It's the one thing that I've known

Once I put my coat on
I'm coming out in this all wrong
She's standing outside holding me
Saying, 'Oh, please
I'm in love
I'm in love'

Girl save your soul
Oh save your soul
Before you're too far gone
Before nothing can be done

'Cause without me
You got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
Without me you got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
So hold on
