

# Hip to Hoo

Robert Plant

She's a ..., broken promising,  
Tryin' to make me out a fool, fool, fool  
Oh, cheat, cheat, cheat, don't do it now  
In your game, you play the maker  
Your calculations make the rule, rule, rule

Ooh, yes, you're breaking my heart  
You breakin' my heart  
Ooh, ahh

So strange, when I'm coming for you  
You look and laugh and then you cry, cry, cry  
Oh, cheat, cheat, cheat, don't do it now  
There's a change, withholdin' information  
When I ask you, ask me why, why, why

Stop stop, stop stop, stop stop, stop hurtin' me baby  
Stop again, stop again, stop again  
Stop stop, stop stop, stop stop, stop hurtin' me baby  
Stop again, stop again, stop again

Cheat cheat cheat cheat, cheat  
Cheat cheat cheat cheat, cheat

Stop stop, stop stop, stop stop, stop hurtin' me baby  
Stop again, stop again, stop again

So sweet with your innocence  
I've found the cutest step, so cute  
Oh, cheat, cheat, cheat, don't do it now

She's in pain, broken promises  
Tryin' to make me out a fool, fool, fool, yeah

You're breaking my heart, oh yeah  
You're breaking my heart, oh yeah  
Give it to me baby (ooh, ah)  
Give it to me baby, yeah (ooh, ah)  
I really want to know  
I really want to know  
Give it to me baby (ooh, ah)
