

Hip to Hoo

Robert Plant

She's a ..., broken promising,
Tryin' to make me out a fool, fool, fool
Oh, cheat, cheat, cheat, don't do it now
In your game, you play the maker
Your calculations make the rule, rule, rule

Ooh, yes, you're breaking my heart
You breakin' my heart
Ooh, ahh

So strange, when I'm coming for you
You look and laugh and then you cry, cry, cry
Oh, cheat, cheat, cheat, don't do it now
There's a change, withholdin' information
When I ask you, ask me why, why, why

Stop stop, stop stop, stop stop, stop hurtin' me baby
Stop again, stop again, stop again
Stop stop, stop stop, stop stop, stop hurtin' me baby
Stop again, stop again, stop again

Cheat cheat cheat cheat, cheat
Cheat cheat cheat cheat, cheat

Stop stop, stop stop, stop stop, stop hurtin' me baby
Stop again, stop again, stop again

So sweet with your innocence
I've found the cutest step, so cute
Oh, cheat, cheat, cheat, don't do it now

She's in pain, broken promises
Tryin' to make me out a fool, fool, fool, yeah

You're breaking my heart, oh yeah
You're breaking my heart, oh yeah
Give it to me baby (ooh, ah)
Give it to me baby, yeah (ooh, ah)
I really want to know
I really want to know
Give it to me baby (ooh, ah)
