## **Liars Dance**

**Robert Plant** 

Far four winds blow There's trouble and it won't go I'd really like to help you but you know Truth twist - liars dance Money, money - greed, chance Let's take a little more before we go Cause we won't be back again No we won't be back again

Trees cry - men bow Kneel before the fatted cow Let's take a little moo before we go We won't be back again No we won't be back again Oh we won't be back again

Tell me Jesus what to do A little time for me, and none for you Just leave it to the lady who's sure She won't be back again I know she won't be back again I'm sure she won't be back again Oh she won't be back again
