

# Little by Little

Robert Plant

Little by little, my heart grieves  
Little by little, I call your name  
Little by little, my tears fall  
Little by little, everything changes

Little by little, the time goes  
Little by little, the days pass by  
Little by little, the air clears  
Little by little, I can breathe again

I can breathe again now, I can breathe again now  
I can breathe again

Back at the mirror, your good friend  
Talk to the mirror to play out your game  
Slap in the middle, I stop then  
Look at the winner and the price you pay

Cold was the winter, I tremble  
Long was the fall, that had no end  
Now little by little, the air clears  
Little by little, I can breathe, I can breathe again

I can breathe again, I can breathe again

Call your name, call your name  
Call your name, call your name

Everything changes, but everything changes  
I call your name, oh, I can breathe again  
I can breathe again, I can breathe again  
I can breathe again, little by little
