

Promised Land

Robert Plant

Oh baby, can't eat can't sleep Can't understand a love song
Drive me crazy 'Cause my feet won't quit as I go slidin' in the
sweet

zone

Round round like you want me to do

Down down like you're beggin' me to

The floor's small and the wall's too steep

I can kiss your mouth when I go to sleep

Oh, baby, got those personal moves so deep inside my move groov

Down down like you want me to do

Round round like you're beggin' me to

The floor's small and it's much too steep

I can kiss your mouth when I go to sleep

I feel alright, 'Cause my little girl wants to dance all night

What can I do I know my little girl wants to dance with you

Oh darlin', come on baby, come on mess with me

Oh, woman, I'll make it up to you, if you just drive me wild, c

Down down like you want me to do

Round round like you're daring me to

The floor's small and the wall's too steep

I can kiss your mouth when I go to sleep

I feel alright Because my little girl wants to dance all night

Oh what can I do I know my little girl, she wants to dance with
you

I feel alright My little girl wants to dance all night

Oh what can I do, ooh ooh I know that girl, she wants to dance,
dance,

dance

Round round like you want me to do

Down down you're beggin' me to

The floor's small and much too steep

I can kiss your mouth as I go to sleep

I feel alright 'Cause my little girl she wants to dance all nig

All of my life

You know my little girl she wants to dance, dance, dance

I feel alright Oh my little girl she wants to dance all night,
now

Oh what can I do Oh, my little girl wants to d-a-nce

Come on dance with me baby, come on dance with me baby

Oh, well... ooh, ooh-ooh, ooh-

ooh I gotta keep movin', I gotta keep
