

## Red Dress

Robert Plant

Walk right out of my life  
Keep your money in your hand  
Look out where you're headin mama  
Don't go running blind  
Shine it out strut it out  
Keep your ear right to the ground  
Watch out now for strange cats  
When them strange cats come around  
Pretty little girl with the red dress on, pretty little girl she can dance

Keep your eyes wide open  
Hold your head up high  
You are now a stranger here  
So much changes with a sigh  
Call out ask for fortune  
She would lend a helping hand  
Do not turn your back on the lady  
When the lady comes round  
Pretty little girl with the red dress on, pretty little girl she came down

Some would say that love is blind  
I blame it on the moon  
People say that loves unkind  
I'm finally out of tune  
Mama Mama mama just keep on dancing to it  
Baby baby baby I'll dance a tune for you

Pretty little Girl with the red dress on,  
Pretty Pretty Pretty little girl she can dance

Dancing down main street  
Some say do the stroll  
Need the time to look around  
Another day in the hole

No one cares about the fool  
Who lost the final goal  
Knowing only chance survived  
And sacrificed his soul

Pretty little girl with the red dress on  
Pretty little girl she can dance  
Pretty little Pretty little girl
