

The May Queen

Robert Plant

Lay down in sweet surrender
Your love so warm & tender

Oh, sweet surrender, now
So warm & tender, now

Oh-oh-oh
Ohhh

Inside my waves are breaking
Oh! Light of my salvation

Oh, my waves are breaking now
Ooh, sweet salvation now

Oh-oh-oh
Ohhh

Out here the fire still burning
So long into my night...
Still captive and still yearning
Surrender to your light...

A heart that never falters
A love that never dies
I linger in the shadows
The dimming of my light...

(Oh!)

The dimming of my light...
The dimming of my light...
The dimming of my light...
The dimming of my light...
