

Why

Robert Plant

Why

Oh, the sandman is running
Oh, he ain't telling you why
But she knows, yeah, she knows

Oh, the thunder is roaring
Oh, hear his wings in the sky
And he knows

She don't know, she don't know, she don't know
She don't know, she don't know, she don't know why
Oh, why

She wants it bad, ohh, she wants it bad, ohh
When you're lost and found a brand new way
Here comes another happy end

Now the black night is falling
Oh, see that tear in your eye
'Cause you know

You don't know, you don't know, you don't know
You don't know, you don't know, you don't know why
Oh, why

She wants it bad, ohh, she wants it bad, ohh
When you're lost and found a brand new way
Here comes another happy end

Oh, now the new day is dawning
Ohh, to my past kiss goodbye
And you know

We don't know, we don't know, we don't know
We don't know, we don't know, we don't know
We don't know, we don't know, we don't know why

Ohh, why, w-w-why
Ohh, why, ohh, why, oh, why
Why, w-w-why
