Robert Plant

Why

Why

Oh, the sandman is running Oh, he ain't telling you why But she knows, yeah, she knows

Oh, the thunder is roaring Oh, hear his wings in the sky And he knows

She don't know, she don't know, she don't know She don't know, she don't know, she don't know why Oh, why

She wants it bad, ohh, she wants it bad, ohh When you're lost and found a brand new way Here comes another happy end

Now the black night is falling Oh, see that tear in your eye 'Cause you know

You don't know, you don't know, you don't know You don't know, you don't know, you don't know why Oh, why

She wants it bad, ohh, she wants it bad, ohh When you're lost and found a brand new way Here comes another happy end

Oh, now the new day is dawning Ohh, to my past kiss goodbye And you know

We don't know, we don't know, we don't know We don't know, we don't know, we don't know We don't know, we don't know, we don't know why

Ohh, why, w-w-why Ohh, why, ohh, why, oh, why Why, w-w-why
