

## And I Don't (so Now I Do)

Robert Pollard

I crept into a box of mesmerizing trinkets  
and I probably shouldn't think it  
and I don't so now I do

A panoramic expo  
hey, give me a ballpark estimate  
I don't drive a good car or a bargain  
so now I do

here's what I have done for you  
a life on the run  
a foxhole and a gun  
a roof that blocks out the view  
I never had one  
I didn't want one  
and I don't so now I do
