

## Going In The Right Direction

Robert Randolph & The Family Band

I was lost  
I thought the losing dice were tossed  
Didn't know where to go  
Didn't have no one to turn to  
I'm glad I found you just in time  
I won't miss those things I left behind  
Now I'm going in the right direction  
Going in the right direction  
Now I've found  
The road I need to travel down  
I don't know what tomorrow brings  
Day by day with you I'll do the same thing  
I'm so glad I'm standing on my own two feet  
No more running down that dead end street  
You better get right  
Or you're gonna get left
