

If I Had My Way

Robert Randolph & The Family Band

If I Had My Way, I'd tear the building down
If I Had My Way, I'd tear the building down
Tear the building down...
Tear the building down...

Down down to the lions den, wonderin where, have you been,

Like Delilah fine an'fair, coal black hair
Like Delilah throwin me out,
So much sorrow so much doubt love is painful love is
Blind, never know what your gonna find!
