## **Back Together Again**

## **Roberta Flack**

Seems we've weathered Hard times we've been through In silence I've waited I missed you (I missed you too)

'Cause you, you and I back together again Got the world in a spin 'Cause you, you and I back together again Got the world in a spin

It's all come together
Problems we've defeated
And I'm here hand in hand.
You take all that I got and you need it, baby

'Cause you, you and I-I-I back together Got the world in a spin You, you and I-I-I back together Got the world in a spin

Love will last forever (Forever)
We can make it real (Got to be real)
Say you'll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together
Yeah, yeah, yeah

Younger and wiser Time has shown the way we've come full circle To stay (Baby)

'Cause you, you and I-I-I back together again Got the world in a spin 'Cause you, you and I-I-I back together again Got the world in a spin

Truth is the light
It's the joy that we both share
Make love day and night
It's so easy to do when you care

Love will last forever (Forever)
We can make it real (Got to be real)
Say you'll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together
