

I'd Like to Be Baby to You

Roberta Flack

Cry like a baby,
I'd like a baby,
I'd like to be baby to you.

I may look like a lady,
All grown up a shady,
But I'd like to be baby to you.

To you
No matter what it makes you think of me,
To you
I wanna hide in you like two years old,
To you
I wanna give you everything I got
And that's a lot to do for you.

I could run like a rabbit,
Run out of habit,
I hope I can grab it with you.
Otherwise I'll cry like a baby,
Don't be no maybe,
And you could be my baby too,
'Cause I'd like to be baby to you.

I could run like a rabbit,
Run out of habit,
I hope I can grab it with you.
Otherwise I'll cry like a baby,
Don't be no maybe,
And you could be my baby too,
'Cause I'd like to be baby to you.
