

# You Are My Heaven

Roberta Flack

An angel whispered to me when I woke this mornin'  
That I would find Heaven by my side  
And there you were you angel, Heaven in the mornin'  
Playing in my arms and in my life

And I reached this decision, I love you my religion  
Heaven's in my soul and in my heart  
No one could ever change my mind, oh, no  
I got you here right by my side

You are my love  
(You are my love)  
You are my Heaven  
You are my love  
Make me sing la, di, da

You are my love  
(You are my love)  
You are my Heaven  
Darling, I, oh  
I won't let them take you away  
(Won't let them take you, take you baby)

If angels whispered to you early in the mornin'  
It's really something wonderful and rare  
I get up in the mornin' feeling that forever  
I have all your love and all your care

If someone tries to tells that I do not love you  
Tell them they must be out of their mind  
I ain't gonna let them change my mind, oh, no  
'Cause I got you here right by my side

You are my love  
(You are my love)  
You are my Heaven  
You are my love  
(You are my love)  
Make me sing la, di, da

You are my love  
(You are my love)  
You are my Heaven  
Darling, I, oh  
I won't let them take

Darling, I, oh  
I won't let them take  
Darling, I, oh  
I won't let them take you away  
(Won't let them take, take you away, baby)

You are my love  
(You are my love)  
You are my Heaven  
You are my love  
(You are my love)

Make me sing la, di, da

You are my love  
(You are my love)  
You are my Heaven  
Darling, I, oh  
I won't let them take you away  
(Won't let them take)

You are my love  
(You are my love)  
You are my Heaven  
You are my love  
(You are my love)  
Make me sing la, di, da

You are my love  
(You are my love)  
You are my Heaven  
Darling, I, oh  
I won't let them take you away  
(I won't let them take you)

You are my love  
(You are my love)  
You are my heaven  
You are my love  
(You are my love)  
Make me sing la, di, da

You are my love  
(You are my love)  
You are my heaven  
Oh, you are my love
