

# Mother And Jack

Robin Gibb

Lala, I got a letter in this town  
They're going to pull this old house down  
I got a letter in this town  
They're going to pull this sad house down

Mother and Jack, they went to see the Emperor  
Mother and Jack, they went to see the Emperor  
They got no answer, they got no answer  
Said, he would think, ah, over his drink, ah  
About this question on this house of yours
