

Weekend

Robin Gibb

Hello, I'm down
Take me for this weekend
I'm your to borrow, tomorrow good friend
And while I'm away
All my love I'll send
And thank you every Thursday for this weekend

Hello sunrise, I must see your eyes
Still I will shout
But they're bound to find me out

Hello, I'm down
Take me for this weekend
I'm yours to borrow, tomorrow good friend
And I'm your to borrow, tomorrow good friend
