

You Don't Say Us Anymore

Robin Gibb

Giving you an ultimatum
Trying to figure out why you
Act the way you do, avoiding me
And trying to keep your distance

Saw your image in a photograph
Couldn't cry, so I had to laugh
And the jealousy that I felt inside
Gave way to pure frustration

And you don't fool me with your sexy innuendos
And all the secrets you hide
You find adventure when you're sleeping
In a brave new world

But you don't see me anymore (no, you don't say)
I stand alone (no, you don't say)
Your head is full of illusions
And your heart is stone

But you don't say us anymore (no, you don't say)
And the night is gone (no, you don't say)
No you don't say us anymore, anymore
You don't say us, you don't say us

Like the devil in the deep blue sea
Gotta have you and I must be free
And all you do is torture me
And question what I stand for

I'm a victim of circumstance
Just like in modern romance
And in my situation we go straight
To a hotel room and we take our chances

And when I met you
You were standing in the moonlight
And your defenses were down
I took advantage of a golden opportunity

But you don't see me anymore (no, you don't say)
I stand alone (no, you don't say)
Your head is full of illusions
And your heart is stone
You don't say us, you don't say us

Soon, when the night is young
I'll be old and gone
All because I'm down

You don't say us, you don't say us

And you don't fool me with your sexy innuendos
And all the secrets you hide
You find adventure when you're
Sleeping in a brave new world

But you don't see me anymore (no, you don't say)
I stand alone (no, you don't say)
Your head is full of illusions
And your heart is stone
You don't say us, you don't say us

Come, hold me like before
Do the things you used to do
What I asked before

You don't say us, you don't say us

But you don't see me anymore (no, you don't say)
I stand alone (no, you don't say)
Your head is full of illusions
And your heart is stone
You don't say us, you don't say us

Come, hold me like before
Do the things you used to do
What I asked before
