Givin' U All That I've Got by Robin S.
Oh uh oh oh oh
Oh uh oh oh ooooh

In the mid of a song,
Don't you give in (don't you give in),
When you feel the lighter than you are,
Don't you quit (don't you quit).

It might seem hard and rough,
And you feel you've had enough,
Keep your head up high,
'Cause it will make you tough,
You feel that there's no love,
Give my love a trust.

I'm Givin' U all that I've got,
The best part of me (givin' U all that I've got),
I'll be there for you baby,
Just open your eyes and you'll see.
I'm Givin' U all that I've got,
The best part of me (givin' U all that I've got),
I know you find it hard to love again,
My love is free.

My love is free,
Baby can't you see,
My my love is free,
My my my love is free.

My love is free,
Baby can't you see, (ooooooooh oh oh oh)
My my love is free.

I know you've been through your changes,
Well, it's gonna be alright (it's gonna be alright),
Your love's been faced for rearranging,
You had to really really vibe.

Just put your trust in me,
This love is guarantee,
I'm gonna be right here,
And you slowly you will find,
My love's a special kind,
Just try it and you'll see.

I'm Givin' U all that I've got,
The best part of me (givin' U all that I've got),
I'll be there for you baby,
Just open your eyes and you'll see.
I'm Givin' U all that I've got,
The best part of me (givin' U all that I've got),
I know you find it hard to love again.

It's not worth more than I can change,
To make you feel you,
I know that this is your way,

Stay with me,
Baby, time will reveal,
That my love is real,
Yeah hey hey hey ey ih yeah ey ih yeah ey ih yeah ey ih yeah ey i
h yeah ey ih yeah ey ih yeah ey ih yeah ey ih yeah ey ih yeah oh
