

# Ha Leh Lou Ya

Robin Schulz

With you  
I chase rain, I call your name  
Feel everything  
With you  
Don't feel the night, just feel alive  
When I hold the tide

My heart was slowing  
One foot up in heaven  
Boy, you bring me back to life

Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"

With you  
I feel the fire, I don't know why I'd ever cry  
With you  
I'd give it all, too free to fall  
If the  
Love, I need  
Jealous like breathing  
Boy, you bring me back to life

Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
"Ha Let Lou, Ha Let Lou Ya"

With you  
This [?], this story I-  
I need your love

My heart was slowing  
One foot up in heaven  
Boy, you bring me back to life

Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
"Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"

Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
Got me saying "Ha Let Lou, Ha Let Lou Ya"  
"Ha Let Lou, Ha Let Lou Ya"
