

Like You Mean It

Robin Schulz

Sometimes I don't know if you're playing pretend
Where do we start, and where do we end?
Your fingertips, just joining with grace
Show me the truth, tell me to my face

Say you love me
Say you need me
Like you mean it, like you mean it
Say you love me
That you won't leave me
'Cause I don't believe it, I don't believe it

Kill my superstition
Please, I'm begging
Let the words roll off your tongue, I'm waiting
Say you love me
Say you need me
Like you mean it, like you mean it

Yeah, I don't know what I'm doing this for
'Cause we're not the type to be insecure
I just never knew it could be this good
I'm acting crazy, not like I should

And I need to hear it, hear it, hear it
And I need to hear it, hear it, hear it

Say you love me
Say you need me
Like you mean it, like you mean it
Say you love me
That you won't leave me
'Cause I don't believe it, I don't believe it

Like you mean it
Like you mean it
Like you mean it
Like you mean it
Kill my superstition
Please, I'm begging
Let the words roll off your tongue, I'm waiting
Say you love me
Say you need me
Like you mean it, like you mean it

And I need to hear it, hear it, hear it
And I need to hear it, hear it, hear it
And I need to hear it, hear it, hear it
Like you mean it, like you mean it

Say you love me
Say you need me
Like you mean it, like you mean it
Say you love me
That you won't leave me
'Cause I don't believe it, I don't believe it

Kill my superstition
Please, I'm begging
Let the words roll of your tongue, I'm waiting
Say you love me
Say you need me
Like you mean it, like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
Like you mean it
