

# Sounds Easy

Robin Schulz

There comes a time when all the light inside surprises  
And the lines to the horizon fade to grey  
And all you want is just a little understanding  
But the ground on which your standing breaks away

But together we can grow  
In my face I feel the sun  
In my eyes you're still the one  
There ain't no need to be afraid  
'Cause there's hope that we can trade  
It's the battle we have one

Don't know much about love  
But it sounds easy  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-  
Don't know much about love  
But it sounds easy  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-

You should know that if you let go of my hand  
You will see that you're not standing on your own  
So never say you wanna sink beneath the surface  
Let the world rotate until it takes you home

But together we can grow  
In my face I feel the sun  
In my eyes you're still the one  
There ain't no need to be afraid  
'Cause there's hope that we can trade  
It's the battle we have one

Don't know much about love  
But it sounds easy  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-  
Don't know much about love  
But it sounds easy  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-

Don't know much about love  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-

Don't know much about love

But it sounds easy  
Why do you make it so hard?  
Maybe I'm a dreamer  
Don't know much about love  
Don't know much about-  
Don't know much about love  
But it sounds easy
