

## 2 Luv Birds

Robin Thicke

She loved to fly, She ran away  
From something at home, she would not say  
She needed new friends, no doors would open  
She had to place to stay

Then came a bird, Who knew the town  
Who barely ever left the ground  
They saw each other, they saw forever  
They bother knew it right away

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

They had it good, not lots of style  
Not lots of money, just lots of love  
She started working, he learned to cook  
Somehow they made their way

Then they started flying all around on their own  
Up in the sky and now they're never ever home  
They started fighting, then it got silent  
They didn't know how to make it without each other

They're just two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind

Two love birds, two love signs  
You got me going out of my mind  
I love you for a lifetime  
You got me going out of my mind
