

## 4 the Rest of My Life

Robin Thicke

I knew when I laid my eyes on you  
The lights from above seemed to shine on only you  
And you made me feel like I was flying  
When I made you sparkle in your eyes  
We ain't even 20 baby  
I ain't learned to love you right, yeah  
Umm, good thing I thought I was the shit back then  
I sang in your ear cause I wanted you to know  
That I had soul baby  
I called you all the time  
I guess I tried too hard to make you mine  
You'd have nothing to do with me baby  
Thank God that you changed your mind, oh

For the rest of my life you know I'm gonna be yours  
For the rest of my life you know I wanna be yours  
For the rest of my life for you I'm gonna be strong  
Baby will you stay?  
Baby will you stay?  
Baby will you stay?  
Baby will you stay mine?

Finally convinced you to come over and just say hi  
I said "Forever My lady" and kissed you for the very first time  
After months, holidays, holding hands in the park  
Normally I'd just play basketball or something in the park  
And I messed up like boys tend to do  
It'd be a year till I got back with you  
Thank God that you called me back baby  
Cause I'd never be the man that I am today

For the rest of my life you know I'm gonna be yours  
(Oh, you know I'm gonna be yours)  
For the rest of my life you know I wanna be yours  
(I wanna be, I wanna be yours)  
For the rest of my life for you I'm gonna be strong  
(For you I'm gonna be strong)  
Baby will you stay?  
Baby will you stay?  
Baby will you stay?  
Baby will you stay mine?

Then one night upon the phone  
You said you were at home alone  
I wasn't even old enough to drive  
I saw my only chance just to keep it alive  
Keep love alive  
Good thing for you I stole my daddy's car  
Cause no one's gonna ever love you better  
Better than I do, yes I do

For the rest of my life you know I'm gonna be yours  
For the rest of my life you know I wanna be yours  
For the rest of my life for you I'm gonna be strong  
For the rest of my life, for the rest of my life  
Come on baby, will you stay forever?  
I'm gon' love you baby

For the rest of my life for you I'm gonna be strong  
Gon' love you baby, gon' love you right  
For the rest of my life  
Baby will you stay?  
Baby will you stay?  
Baby will you stay?  
Baby will you stay mine?
