

Complicated

Robin Thicke

I wish I could change I wish I could change
I wish I could stop saying the same old things
I wish I could be who you want me to be
I wish I could stop being the old me
I wish I could lose all of my blues
I wish I could stop putting my blues on you
I wish I could love like nobody loves
I wish that my goods out way my bads enough

R: Theres no way, theres no way, theres no way
I can get back that girl cause Im too complicated
Shes uncomplicated, but Im too complicated
(2x)

I wish I could change I wish I could change
I wish I could stop placing the blame
I cant stop it I cant break down
I cant drop it, cant see how
I wish I could lose all of my blues
I wish I could stop putting my blues on you
I wish I could love
I wish that my goods out way my bads enough

R: Theres no way... (2x)

You its killing me baby how can I let you go?
Suddenly theres nothing I need more
Theres no way, theres no way, theres no way, theres no way
I cant stop it I cant break down
I cant drop it, cant see how

R: Theres no way... (4x)
