

# Flowers in Bloom

Robin Thicke

All of the flowers in bloom  
She took away her sweet love when she died  
And all of the flowers have been put into the garage  
So now do I dance with these fools

All of my life I'm fallen to her heart  
Over and over and over again  
Though I made her seem lucky in my arms  
I promised her love

She keeps on knocking but she can't get in  
And though I promised her love  
She keeps on knocking but she can't get in  
And though I promised her love

Over and over and over again  
Over and over  
So what do I do with these tears  
She wonders why I get all against her heart

And how can I tell her I love her the way I treat her  
Though I made it seem honest more than once  
I promised her love  
All the flowers in bloom

I've never seen such beauty in my life  
In all of the daydreams  
All of the kids get to play  
Lalalalalalala....
