

# Full Time Believer

Robin Thicke

She's the girl you see  
Walking down the street  
Holding her head high  
Unstoppable  
She's confident  
Got a laser eye  
Swinging to her own beat  
and an A+ smile  
She's a winner  
Ooo  
She is where it's at  
She's the loins meow  
She can stop the whole crowd  
She is Heaven lent  
'Cause I know they want her back

She's a full time believer  
She wakes up early everyday  
Yeah 'cause she's a  
Full time believer  
and she can care less what you say  
Yeah 'cause she's a  
Full time believer  
Don't you get in her way

She combs her hair  
With her diamond eyes  
Staring at herself  
'Cause she looks so fly  
She can't help but show it  
She's got that glow  
And you know it, and I know it, and they know it  
She's the rarest wine  
An astrological find  
and when she stretches on by  
She blows my mind  
She don't need nobody  
I only wish she was  
All mine...

She's a full time believer  
She wakes up early everyday  
Yeah 'cause she's a  
Full time believer  
and she can care less what you say  
Yeah 'cause she's a  
Full time believer  
Everyday...

She lays in bed  
With a real hard book  
'Bout a Chinese girl  
and a chance she took  
She defined all odds  
Maybe wrote the law  
Oh, her daddy would be proud  
If he was still around

She turns the light off  
and dreams of Kings and gold  
Can't touch her soul  
Or keep her under control  
She's a leader to be  
Something you're gonna see  
she made me a,  
A full time believer  
Now I get up early everyday  
I'm trying to be a,  
A full time believer  
I'm hoping that for me you will pray  
I want to be a,  
A full time believer  
Everyday
