

# I'm an Animal

Robin Thicke

I'm an animal  
Can you still love me baby?

I'm a beast, hear me roar  
Fingernails on the floor  
I'm an animal baby  
Put a gate around my heart  
Don't you let me out the yard  
I'm an animal baby

I got a chemical that makes me go numb  
I don't know what to do with my opposable thumbs  
I got mean tampa banging like an Indian drum  
And if you press one of my buttons, I'm gon' do something dumb

I'm a beast, hear me roar  
Fingernails on the floor  
I'm an animal baby  
Put a gate around my heart  
Don't you let me out the yard  
I'm an animal baby

I said A, aya, N, no no no  
I-ya, I-ya, M, I'm a man  
I said A A A, aya, L L L L L L  
Can't you love me baby?  
Can you still love me baby?  
I'm an animal  
Can you still love me baby?

Shoulda played it cool but I pushed it to the edge  
Now she's slipping through my hands and she's dug a little ledge  
Never had the discipline only knew when to say when  
I wouldn't civilize, I'm an animal to the end

I'm a beast, hear me roar  
Fingernails on the floor  
I'm an animal baby  
Put a gate around my heart  
Don't you let me out the yard  
I'm an animal baby

I said A, aya, N, no no no  
I-I-ya, I-ya, M, I'm a man  
I said A A A, aya, L L L L L L  
Can't you love me baby?  
Can you still love me baby?  
I'm an animal  
Can you still love me baby?  
I'm an animal  
Can you still love me baby?

I take advantage girl  
I'm smoking TNT  
I'm drinking dynamite  
Can you still love me?
