

Shadow of Doubt

Robin Thicke

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

It's holding me
It's got me down
I'm no stranger
Stranger to the shadow of doubt

It's to the end
There's no surrender
It's good and evil
Gotta fight the shadow of doubt

I'm in flames
I'm on fire
I wanna dance like I'm james brown

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

I've had enough
Off with the glove
A full fighter
I'm looking for love
I'm fat larry
I'm skinny d
I'm on the runaway
Take off with me

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

Ooh, I got a war going on in my head
And I just can't seem to shake this feeling off, oh!
Negativity coming over me, ooooh oooh oooh!

Keep firing
Keep shooting
I get anxious
I get nervous
I'm impatient
I'm curious
I've gotta ravel up
No I don't!

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

A-doo doo doo
A-doo doo doo
A-doo doo doo
Gotta fight the shadow of doubt

Keep striving
I keep pushing
I keep trying
I keep fighting

Shadow, shadow, shadow
Gotta fight the shadow of doubt

Shadow, shadow, shadow
Gotta fight the shadow of doubt

Shadow, shadow, shadow
Gotta fight the shadow of doubt

Gotta fight the shadow of doubt

Gotta fight the shadow of doubt
