

I Want You to Love Me

Robin Trower

I want you to love me, love me right
I want you to love me, love me right
No more cryin' in the daytime
No more creepin' round at night

Why don't you tell me
exactly what you want me to do
Tell me, what you want me to do
If I've done something wrong, little girl
I'm going to make it up to you

Let me show you, show you that my love is real
Let me show you, show you my love is real
Cause words can't explain little girl, exactly how I feel
