

Looking For A True Love

Robin Trower

I'm looking for a true love
Someone to ease my troubled mind
I'm looking for a true love
Someone to ease my troubled mind
Gonna find my hope and saviour
Someone to treat me sweet and kind

I no more need to go where
Love don't come for free
I know the good times flow there
But it ain't just what I need
I'm looking for a true love
Someone to ease my troubled mind
Gonna find my hope and saviour
Someone to treat me sweet and kind

Tire of life on main street
Need to back on down
Before I get in too deep
I'm gonna leave this town
I'm looking for a true love
Someone to ease my troubled mind
Gonna find my hope and saviour
Someone to treat me sweet and kind
