

## Only Time

Robin Trower

Lonely is the mountain stream  
As it wanders to the sea  
Lonely like forgotten dreams  
Drifting in eternity

Only time  
Can take this hurt away  
Change your mind  
Come with me today

Lonely like the broken heart  
Whose love can never be  
Bravely holding back the tears  
You want no-one to see

Only time  
Can take this hurt away  
Change your mind  
Come with me today
