

Second Time

Robin Trower

Read your letters
Line by line
Same old story
Doing just fine
You tell me that he loves you
But babe I believe you're lyin'
You know I'll love you better second time

Come back to me babe
Pack your clothes
No-one's watching
Coz no-one knows
Now he don't really want you
So stealin' you ain't no crime
I know you'll love me better second time

He's treats you dirty
Plays around
Leaves you hurtin'
But you won't, no you won't back down

The phone is ringing
What's the news
Thought it over
Got nothing to lose
You say you're on the run now
Coz neither ones worth a dime
So babe they'll never be no second time

Stop your stallin'
Holdin' out
Hear me calling
But you won't, no you won't back down

Robin guitar solo

He's treats you dirty
Plays around
Leaves you hurtin'
But you won't, no you won't back down

Stop your stallin'
Holdin' out
Hear me calling
But you won't, no you won't back down
