

Somebody Calling

Robin Trower

Somebody calling
Calling my name
Somebody walking
Over my grave

I was back in the arms of my baby
I would sleep in the arms of a dream
I would sit in a church for my baby
And I'm welcome, do you know what I mean?

Somebody sign
Sign for me
Somebody crying
For me

I was back in the arms of my baby
I would sit in the arms of a dream
I was test in the chance of my lady
And I'm welcome, do you know what I need?
