

Sweet Wine Of Love

Robin Trower

Let's throw a party, let's invite everybody
Let's drop some glasses on the floor
Turn up the noise, have some fun with the neighbors
Let's have them banging on the door

We're havin' a party, everyone is invited
Welcome to our wedding night
Ring up some friends and ask them all over
Let's do this whole thing up right

Then we'll turn out the lights when they've all said "goodnight
"

Let the sweet wine of life ever glow
Turn out the light when they've all said "goodnight"
Let the sweet wine of love overflow

Yes, and down in the street where they're wheelin' and dealin'
The corner crowd all see the light
And they'll smile at the window, Oh they know how we're feelin'
Welcome to our wedding night

Yes, we'll turn out the light when they've all said "goodnight"
Let the sweet wine of life ever glow
Turn out the light when they've all said "goodnight"
Let the sweet wine of love overflow

And we'll turn out the light when they've all said "goodnight"
Let the sweet wine of life ever glow
Turn out the light when they've all said "goodnight"
Let the sweet wine of love overflow

Let the sweet wine of love overflow
