

The Thrill Is Gone

Robin Trower

The thrill has gone,
The thrill has gone away.
The thrill has gone,
The thrill has gone away.
You know you done me wrong,
And you'll be sorry someday.

The thrill is gone,
It's gone away from me.
The thrill is gone,
It's gone away from me.
And though I will live on,
So lonely I will be.

The thrill has gone,
It's gone away for good.
The thrill has gone,
Has gone away for good.
Someday I'll be over it all,
Just like you said I would.

You know I'm free, free, free,
Free from your spell.
I'm free, baby,
Free from your spell.
And now that it's all over
All I can do is wish you well.
