

What's Your Name

Robin Trower

My momma told me,
Not to give into desire,
'Cause baby if you do,
You're playin' with fire,

I tried, she sighed,
Baby your goin' down,
What's your name?
Bright young flame,
If it's all the same to you,
I'd really like to know your name

When you're brought up right,
It makes it kinda hard,
To see your good intentions,
Go from pure to black and then charred

I lied, she cried,
Baby your goin' down,
What's your name?
If it's all the same to you,
I'd really like to know your name

They say that lightning never strikes,
In' the same place twice,
But if you keep goin', the way that you do,
You're gonna need some leagal advice

My mama told me,
Take a path that's narrow and straight,
'Cause a fall can take your whole life,
Bend it all out of shape

I failed, she wailed,
Baby your goin' down,
What's your name?
Bright young flame,
If it's all the same to you,
I'd really like to know your name

What's your name?
Bright young flame,
If it's all the same to you,
I'd really like to know your name
