Bed Scenes

It's obscene!

Robots in Disguise

```
Bed scenes!
I feel calm as I take your tongue
Breathe you past lips into lungs
I feel a little sick and you uncovered
A change of flavour - I dare you!
Bed scenes!
Mouths glued
All lips
Eyes shine
Bite down
Bed scenes!
I feel stirred on this ascent
To little death by your fingers
I am a littled licked, but I'll recover
Like the switchback - I'll take you!
Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!
Bite down
Eyes shine
All lips
Mouths glued
Bed scenes!
```

Bed scenes!
You'll break free!

- That'll do
- That's it?!
